Special Announcement – No Photography/Video Recording Policy:

On May 13, 2025 Council, on the recommendation by the Safe Church, and Worship Development teams, approved a new No Photography/Video Recording during Sunday Worship policy, with the exception of a Plan to Protect certified designated volunteer photographer on special occasions (e.g. Baptism Service). The rationale for the new policy is to protect and respect the worship nature of our Sundays in the Sanctuary, and to protect children and vulnerable adults from having their images captured without the proper consent beforehand. You will notice a sign on the Narthex table this Sunday and starting next week a note will be added to the liturgy. We appreciate your cooperation in maintaining the sacred nature of our worship services.
